

Radiophony Screenshots (Projet Streaming Radio)

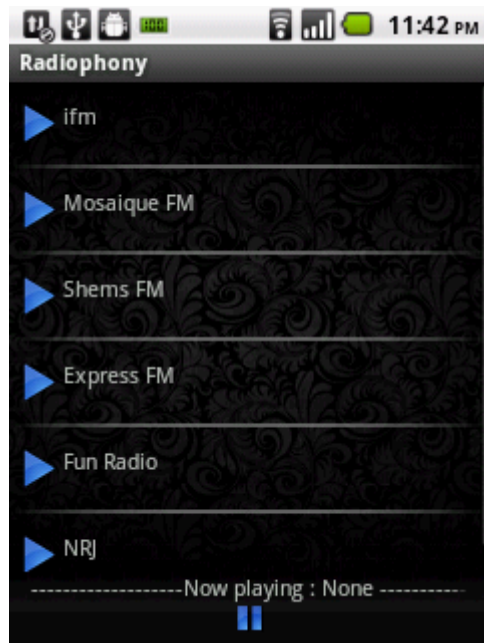

Khouni Balkis Nfaiedh Mariem Selmi Meriem

1) Splash Screen

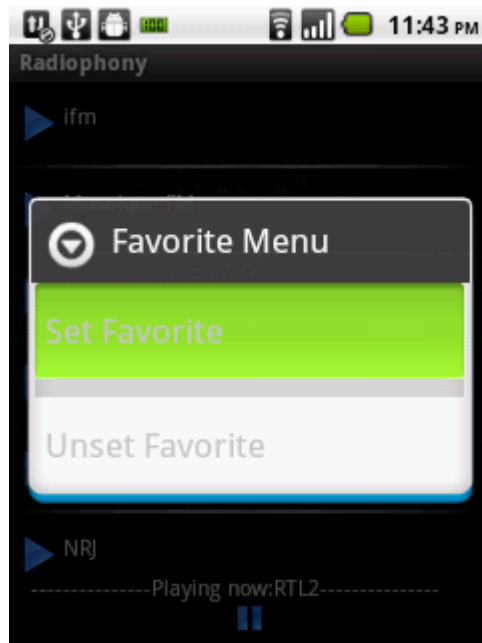

2) Hello View
You can get in, or quit

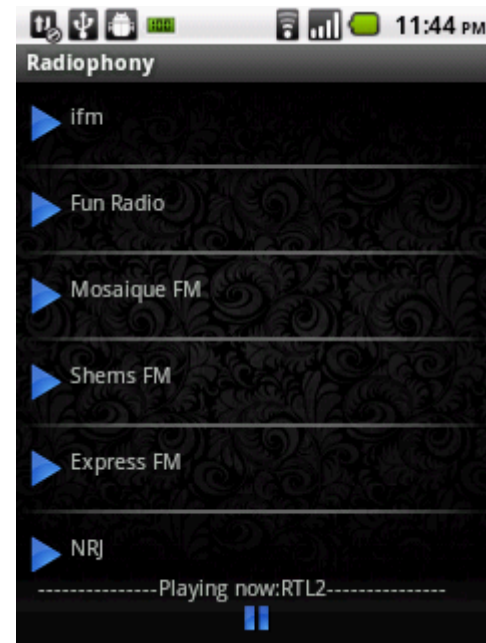

3) List View

4) Playing Radio

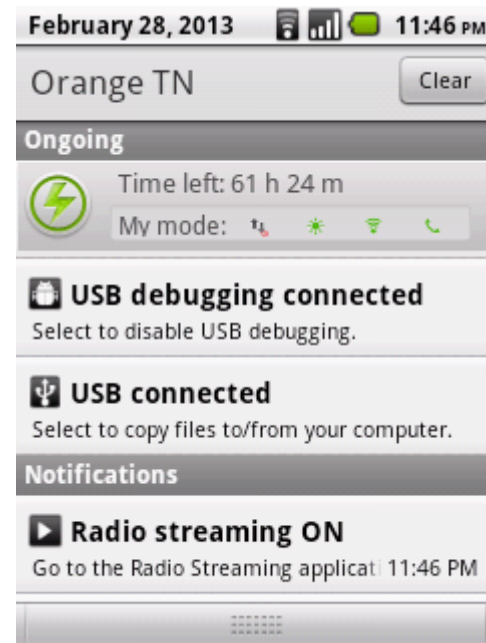

- 5) Long Tap on a Fun Radio to set it as Favorite

- 6) When launching the app again (after destroying it) Fun Radio appears on top (if mis already set as Favorite)

- 7) When a radio channel is playing, if we stop the app, a notification shows up

- 8) We can go back to the app by selecting the notification
